Highfield Hall & Gardens to introduce new adult floral workshop

Fairie House Designs with Anna Holmes

Tuesday, April 13, 2021 at 5:30 – 8:30 PM

(Falmouth, MA) Highfield Hall & Gardens is excited to invite adults to join in the Fairie frivolity this spring. Join artist and floral designer, Anna Holmes, for her brand new ADULTS ONLY workshop that will take you on an enchanting journey to create and construct your very own miniature fairie-world garden filled with magic. The workshop is designed for everyone to make a one-of-a-kind fairie house and part of the fun is the hunt for materials of your choosing ahead of time! Each participant will have their own workspace and will work independently with instruction from Anna as needed. With over 40-years of experience with floral design, Anna enjoys contributing her skills to teach a variety of workshops to the Highfield community. The workshop will be held on outside on the porch, weather permitting. Highfield will adhere to social distancing protocols by spacing classmates out accordingly.

Each participant will be responsible for collecting and bringing their own materials and supplies.

To help facilitate, there will be an optional pre-meet with Anna to plan and prepare for the best experience.

- **April 5th @ 5:30-6:30 PM – Zoom meeting for Q&A:** Anna will review what materials to have, best places to source materials and supplies, construction elements and answer any questions to help get your creative juices flowing.
- Anna will email a materials and source list to all participants by April 1st.

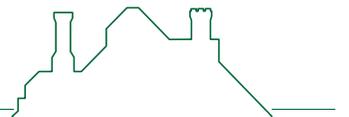

The fairy workshops are always the most popular and class sized is limited so be sure to register today!

About Highfield Hall & Gardens

The house is a rare surviving example of transitional Stick Style architecture, containing beautiful gardens located in the heart of Falmouth, Massachusetts. It is a unique combination of a historic house, expansive gardens and trails, and a vibrant cultural center. Built in 1878 as the summer home for Boston's Beebe family, the house sits on 5.5 pristine acres surrounded by nearly 400 acres of conservation land and public walking trails. Highfield Hall & Gardens is not your typical historic estate. It is an example of a historic building saved by grassroots community organizing. An effort of tenacity and vision that continues as new research on the structure and its story of the people who lived here add to the building's significance. It offers world-class music, international art exhibitions, culinary classes, family programs, and year-round special events.
