*Everlasting Flower Crown Workshop* with Liana Rasmussen  
Saturday, May 8, 2021 at 2:00– 4:00 PM**

**(Falmouth, MA)** Highfield Hall & Gardens is excited to offer a new workshop to celebrate spring and upcoming Mother's Day. Join Liana Rasmussen of Climbing Vine Design to create beautiful, colorful, wearable works of art! Learn to make your own flower crowns combining high quality faux flowers with fine floral design principles and the instant gratification of hot glue guns or Velcro adhesives. It's easy to make a big and bold botanical impression – that will never fade. Share in a pre-Mother's Day activity and bring your camera for a fun, floral photo shoot afterwards!.

Liana Jean Rasmussen is an artist, florist & Cape Cod native. A life-long plant person, Liana combines her love of arts & crafts with all things floral & botanical. Specializing in tropical houseplants, terrariums, "kokedama" moss balls & container designs. You can see her most current work at her Pop-Up Shop located inside of Coffee Obsession in Falmouth. Liana participated in the Winter Woodland Village during the 2020 Holidays at Highfield.

The work will run approximately 2 hours and all materials are included. Children under the age of 14 must be accompanied by a parent/guardian. Class size is limited, get into the spring mood and sign up for some flower festivities today!

Honoring Our History and Embracing Our Future

## About Highfield Hall & Gardens

The house is a rare surviving example of transitional Stick Style architecture, containing beautiful gardens located in the heart of Falmouth, Massachusetts. It is a unique combination of a historic house, expansive gardens and trails, and a vibrant cultural center. Built in 1878 as the summer home for Boston's Beebe family, the house sits on 7 pristine acres surrounded by nearly 400 acres of conservation land and public walking trails. Highfield Hall & Gardens is not your typical historic estate. It is an example of a historic building saved by grassroots community organizing. An effort of tenacity and vision that continues as new research on the structure and its story of the people who lived here add to the building's significance. It offers world-class music, international art exhibitions, culinary classes, family programs, and year-round special events.

## Mission

Highfield Hall & Gardens' mission is to honor the beauty and historic significance of the house and grounds by providing high-quality artistic, cultural, and educational programs for the enrichment of our community and visitors of all ages.
