About Highfield Hall & Gardens

It is a magnificent Victorian home with beautiful gardens located in the heart of Falmouth, Massachusetts. It is a unique combination of a historic house, expansive gardens and trails, and a vibrant cultural center. Built in 1878 as the summer home for Boston's Beebe family, the house sits on 5.5 pristine acres surrounded by nearly 400 acres of conservation land and public walking trails. Highfield Hall & Gardens is not your typical historic estate. It is an example of a historic building saved by grassroots community organizing. An effort of tenacity and vision that continues as new research on the structure and its story of the people who lived here add to the building's significance. It offers world-class music, international art exhibitions, culinary classes, family programs, and year-round special events. For more information, visit highfieldhallandgardens.org.

Mission

Highfield Hall & Gardens' mission is to honor the beauty and historic significance of the house and grounds by providing high-quality artistic, cultural, and educational programs for the enrichment of our community and visitors of all ages.
