Highfield Hall & Gardens Debuts Festive Wreaths for Holiday Season

Falmouth, MA – October 15, 2020 - Start the holiday season off right with a personal touch from Highfield Hall & Gardens! HH&G will offer holiday-themed wreaths for purchase during the 2020 winter season. Created from materials found on the grounds, the decorative wreaths will add a bit of Highfield's whimsical and welcoming spirit to any storefront or home. This first-ever initiative seeks to build community among Falmouth's local businesses and current Highfield members.

Highfield's Landscape Director, George Chapman, masterfully designs the balsam wreaths by hand to make each one unique. The fresh and fragrant pieces are approximately 24" and include various fresh-cut local greens, cones, and waterproof berries. The holiday decoration is available now for pre-order and can be purchased at pick up on Friday, November 13, 2020. Highfield will sell the wreaths for \$48.00 without a bow and \$53.00 with a bow, and all sale proceeds will go towards future community programs and exhibits at HH&G.

Be sure to pre-order one of these signature decorations soon as there will be a limited supply.

Please send all orders, and information requests, to Kim Courchesne, Membership Manager. Kim can be reached at kcourchesne@highfieldhall.org, or 508-495-1878, ext. 310.

About Highfield Hall & Gardens

The house is a rare surviving example of transitional Stick Style architecture, containing beautiful gardens located in the heart of Falmouth, Massachusetts. It is a unique combination of a historic house, expansive gardens and trails, and a vibrant cultural center. Built in 1878 as the summer home for Boston's Beebe family, the house sits on 5.5 pristine acres surrounded by nearly 400 acres of conservation land and public walking trails. Highfield Hall & Gardens is not your typical historic estate. It is an example of a historic building saved by grassroots community organizing. An effort of tenacity and vision that continues as new research on the structure and its story of the people who lived here add to the building's significance. It offers world-class music, international art exhibitions, culinary classes, family programs, and year-round special events. For more information, visit highfieldhallandgardens.org.

Mission

Highfield Hall & Gardens' mission is to honor the beauty and historic significance of the house and grounds by providing high-quality artistic, cultural, and educational programs for the enrichment of our community and visitors of all ages.
